Girija Devi Polytechnic College (GDPC)

AICTE APPROVED · SBTE AFFILIATED

10वीं/12वीं के बाद, Diploma Engineering से अपने करियर की शुरुआत करें।

Begin your diploma engineering journey with **industry-focused programs in Civil, Mechanical, Electrical, and Computer Science Engineering.** Gain **practical knowledge, hands-on experience, and real-world skills** to build a strong foundation for a **successful and brighter future**, with **dedicated placement support.**

GDPC

About GDPC: A Legacy of Technical Excellence

Girija Devi Polytechnic College (GDPC) was established on **May 31, 2015**, and is operated under the *Suchit Singh Memorial Educational Trust*. Named in honor of the revered Girija Devi, GDPC graduated its first successful batch of students in 2019, building a strong legacy of technical education in Bihar. The college is formally **approved by the All India Council for Technical Education (AICTE)** and **affiliated with the State Board of Technical Education (SBTE), Bihar**, ensuring nationally recognized standards.

AICTE Approved · SBTE Bihar Affiliated

Chairman's Message

Build Skills. Build Confidence.
Build Your Future.

Ranvijay Kumar Singh
Chairman, Girija Devi Polytechnic College

"At Girija Devi Polytechnic College, we believe in the transformative power of education. Our focus is not just on imparting technical knowledge but also on nurturing well-rounded professionals who can contribute meaningfully to society and industry."

We take pride in our state-of-the-art infrastructure, dedicated faculty, and innovative teaching methodologies that ensure our students receive the best possible education. Our strong industry connections provide students with valuable exposure and opportunities that prepare them for successful careers.

Regular Diploma Programs — 3 Years Full-Time

GDPC offers four focused engineering branches, each fully aligned with SBTE Bihar guidelines and AICTE approved. Students must have passed **10th Grade (Matriculation) with a minimum of 45% marks**. Every program includes modern laboratories, workshops, and industrial visits to ensure hands-on learning alongside theoretical knowledge.

Branch	Duration	Seats	Eligibility
Civil Engineering	3 Years	60	10th Grade, min. 45%
Mechanical Engineering	3 Years	120	10th Grade, min. 45%
Electrical Engineering	3 Years	60	10th Grade, min. 45%
Computer Science & Engineering	3 Years	60	10th Grade, min. 45%

Explore Your Engineering Branch

Each branch at GDPC is designed to build deep technical expertise while preparing students for immediate employment in growing sectors across India.

Civil Engineering

Planning, design, construction, and maintenance of physical structures and infrastructure — roads, bridges, buildings, and water systems.

Mechanical Engineering

Design, development, testing, and maintenance of mechanical systems, manufacturing tools, and industrial machinery.

Electrical Engineering

Power generation, transmission, electrical machines, and distribution networks for industrial and residential applications.

Computer Science & Engineering

Programming languages, software development, database management, and IT infrastructure for the digital economy.

Lateral Entry & Admission Guidelines

⚡ Lateral Entry — Direct 2nd Year

Complete your diploma in just **2 years** instead of 3 by entering directly into the second year. Ideal for students who have already completed Class 12th or hold an ITI certification.

- Class 12th with Physics, Chemistry & Mathematics (PCM) — min. 45%
- OR ITI Certificate holders
- Save time and tuition costs
- Same SBTE-affiliated diploma awarded

📋 General Admission Requirements

→ Minimum Age

15 years at the time of admission

→ Academic Qualification

Minimum 45% aggregate in 10th Grade (Matriculation)

→ Entrance Exam

Qualify the B.P.T.P.I.A entrance test conducted by Bihar Private Technical & Professional Institutions Association

GDPC

Scholarships & Financial Aid

GDPC is committed to making quality technical education accessible to all deserving students. Multiple financial support options are available to help reduce the burden of tuition and living expenses.

🏦 Bihar Student Credit Card (BSCC)

GDPC assists eligible Bihar resident students in securing **zero-interest educational loans up to ₹4 Lakhs** under the BSCC scheme. This covers tuition fees, hostel charges, and study materials. *(Note: BSCC is a loan scheme, not a direct scholarship grant.)*

🎓 Merit-Based Scholarships

Awarded to high-achieving students based on academic performance in entrance exams and previous qualifying examinations.

🤝 Government & Category Scholarships

Need-based grants and government welfare scholarships are available for SC/ST/OBC category students as per state and central government schemes.

🏅 Sports & Corporate Aid

Sports scholarships and corporate-backed financial assistance programs are also available for eligible candidates with exceptional talent or need.

Training, Placements & Career Outcomes

GDPC's Training & Placement Cell acts as the vital bridge connecting students, faculty, and the corporate sector. The cell organizes campus recruitment drives, hands-on internships, industrial visits, technical training, and soft-skills workshops to ensure every student is industry-ready.

100%

Overall Placement Rate

Consistent track record of successful placements across batches

50+

Active Recruiters

Companies from manufacturing, IT, infrastructure, and services

₹3-5L

Average Package (LPA)

Competitive starting salaries for diploma graduates

GDPC collaborates with over **50+ companies** spanning core manufacturing, civil infrastructure, electrical utilities, information technology, and service sectors — ensuring diverse opportunities for graduates from every branch.

Why Choose GDPC?

Nationally Recognized Credentials

AICTE-approved and SBTE-affiliated diploma programs that are valued by employers across India.

Modern Infrastructure

Well-equipped laboratories, workshops, and classrooms designed for hands-on technical learning.

Industry Exposure

Regular industrial visits, internships, and live projects that connect classroom theory to real-world practice.

Professional Development

Dedicated training in soft skills, communication, and interview preparation to build confident professionals.

Flexible Pathways

Both 3-year regular and 2-year lateral entry options to suit different academic backgrounds.

Financial Support

Zero-interest BSCC loans, merit scholarships, and government aid to make education accessible.
